Please be aware that once you join the credit union, no continued university affiliation is required to maintain your account. However, if you close your OUFCU account, you must meet eligibility requirements to open another account with us at a later date.

Before requesting that your account be closed, *please make sure all checks and Transfund transactions have cleared!* You must surrender your card(s) and allow at least 24 hours for Transfund activity to process.

You are responsible for terminating the following services:

- ↳ Direct deposit- contact your payroll department to stop.
- ↳ Payroll deduction- complete payroll card to discontinue.
- ↳ Pre-authorized withdrawals from your account (insurance payments, utility bills, health club, internet service, etc.)- contact each company to stop auto withdrawal.

Please rate our service on a scale of 1-10 (1=Very poor, 10=Excellent):
