The Truth-in-Savings Act (TIS) is a section of the Federal Deposit Insurance Corporation Improvement Act of 1991. The National Credit Union Administration is charged with enforcing this Act, which applies to all credit unions.

The purpose of TIS is to promote and simplify comparisons among accounts at all financial institutions. TIS enables consumers to make informed choices/comparisons among competing claims of financial institutions by requiring disclosure of the dividends rates payable on these accounts and the fees assessable against these accounts.

It is the intent of OU Federal Credit Union to maintain compliance with this federal law pertaining to disclosure of the terms and conditions of all savings programs. The following disclosure information illustrates the various savings alternatives available to members of OU Federal Credit Union.

The Fee Schedule sets forth certain conditions, rates, fees, and charges applicable to your accounts at OU Federal Credit Union as of February 1, 2024. The Fee Schedule is incorporated as part of this disclosure. If you have any questions regarding any of the accounts offered at OU Federal Credit Union, please call a member service representative.

REGULAR SHARE ACCOUNT

Rate Information:

The dividend rate and annual percentage yield may change every dividend period, as determined by the credit union Board of Directors.

Compounding and Crediting:

Dividends will be compounded monthly and will be credited to your account each calendar month.

Minimum Opening Deposit and Average Daily Balance Requirements for Regular Share Account(s):

No other transaction limitations apply to this account unless otherwise stated in the Common Features section of this disclosure, the Electronic Funds Disclosure or Account Terms and Conditions Disclosures provided to you.

COMMON FEATURES

All accounts offered by OU Federal Credit Union share these common features. These features are:

Membership:

As a condition of Membership, you must open and maintain a Regular Share Savings account with the minimum balance of \$5.00. We reserve the right to suspend services to a member who is not in good standing, which include, but are not limited to, members who: (i) are delinquent on any loan with this Credit Union; (ii) have a Share Savings balance of less than the minimum balance; (iii) have caused any financial loss to this Credit Union; (iv) have any unresolved Non-Sufficient Fund Checks outstanding, whether in regard to a deposit or otherwise; (v) have not paid the Credit Union any fees or costs owing to it; or (vi) have a negative balance in any account.

Nature of Dividends:

Dividends are paid from current income and available earnings, after required transfers to reserves at the end of the dividend period. Dividend bearing accounts earn dividends on all balances. Members who have not been issued or provided to the Credit Union a US Social Security number will not be eligible to receive dividends.

Accrual of Dividends on Non-cash Deposits:

Dividends will begin to accrue on the business day you deposit non-cash (e.g., checks) to your account.

Average Daily Balance Computation Method:

Dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the calendar month. For example, the beginning date of the first dividend period of the calendar year is January 1 through January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period, which for this example is January 31, being the last calendar day of this period.

Federal Deposit Insurance:

Member savings in the Credit Union are insured up to \$250,000 by the National Credit Union Administration (NCUA), an agency of the Federal Government, in accordance with regulations promulgated by the NCUA. Generally, if a credit union member has more than one individual account in the same insured credit union, those accounts are added together and are insured up to \$250,000. Shares maintained in different legal ownership capacities may each be separately insured. There are numerous combinations of accounts that can increase your total coverage. Contact a Member Service Representative to discuss ways to increase your total coverage or refer to <https://mycreditunion.gov/share-insurance> for more information.

Transaction Withdrawal Notice:

We reserve the right to require not less than seven days written notice, nor more than 60 days written notice before each withdrawal from a dividends-bearing account or from any savings account as defined by Federal Reserve Regulation D.

Fees and Charges:

Please refer to the separate Fee Schedule provided to you with this disclosure for information about fees and charges associated with this account. If your account is overdrawn or will become overdrawn from a requested transaction, you may be charged a fee as set forth in our fee schedule for each overdraft or attempted presentment.

A Fee Schedule will be provided to you at the time you open an account, periodically when fees or charges change, and upon request.

Non-Resident Aliens:

For non-resident aliens, you must provide a copy of a valid, unexpired passport and your University of Oklahoma ID card. You will need to have a valid local address and phone number as well as complete a W-8BEN for tax purposes. You may be asked to provide additional identification items including the number and country of any other unexpired government issued ID evidencing nationality or residence and bearing a photograph or similar safeguard. All other account restrictions apply.

Members under the Age of 18

Primary members under the age of 18, must have an adult family member who is an existing member of the credit union be joint on the account until they reach the age of 18.
